STRATFORD AND DISTRICT RIGHT TO LIFE IS A PRO-LIFE, non-denominational organization of individuals who believe that all life - before and after birth - has a right to care and protection. We try to serve as a centre of information on the abortion issue, and to reach out to all Canadians concerning the preservation and dignity of human life, and also to urge one to take action in our democratic society.

PRESIDENT'S MESSAGE

Dear Members:

Your membership is the LIFELINE of Stratford & District Right To Life Association.

Members make up our not-for-profit corporation. Each member gets one (1) vote at membership meetings and you must be a member to be elected to the Board of Directors. Membership fees are not considered a donation so you will get a receipt for them, but you cannot use it as a charitable tax deduction on your income tax return.

The changes to our bylaws this past August now mean there are only **individual memberships**. This has caused some confusion when filling out the membership registration form sent out with the September Newsletter. The Membership fee for 2024-25 remained at \$20.00 When you sent in your membership fee this Fall, if you put both names as a couple or all your names as a family, I ask that you send in the addition membership fee **for each person wishing to be a member**.

As a corporation, we encourage & subsidize our members efforts in attending conferences and events that further our objects. Please contact our board members to suggest such events, conferences and resources that would do that.

We are a **registered charitable organization** with the Canada Revenue Agency. Many people support our cause and ALL DONATIONS receive a charitable tax receipt.

Our board of directors is open to all members 18 years of age and older. Our organization presently has an executive committee elected by the board of directors, **has no employees and consist of volunteers** both members and others who make up many committees that do ongoing work, annual events and one off's as time, resources and manpower permit. If you see any activity you'd like to be part of, OR have any ideas you would like to see us support/get involved with, PLEASE LET US KNOW so that more can be accomplished in attaining the objects Stratford & District Right to Life Association was created for.

At our Annual General Meeting coming up we will be electing our new board of directors (9 in all), 3 for a 1 year term, 3 for a 2 year term and 3 for a 3 year term. Call me if YOU would love to be considered by the membership as a director to serve the LORD in sharing the beauty of His Gift of LIFE to all!

Please look over the 3 posters on the following pages of upcoming events AND get involved. YOU will be so glad you did!

Note the importance of the upcoming municipal, provincial and federal elections. VOTE ONLY for those running for office (at all levels) **who will stand against this society of Death.**

Serving with JOY!

Glenn Kahle
